T.R.A. DOCKET ROOM

****For Placement in Docket File - Docket No. 05-00059****

Aster:

To summarize our July 12, 2005 conversation with Connie Wightman, who represent Operator Service Company, LLC with respect to TRA Docket No. 05-00059, we discussed the need to respond to the most recent data request issued by the Authority and asked her to review recent orders concerning tranfer of control via TCA 65-5-112 and 113 in formulating her response.
